

Landscaping Request Application

Owners Name _____ Application
(Please print) _____ Date _____

Surfcrest Address _____ Resident of
_____ Surf 1
_____ Surf 2

Email _____ Phone _____

I request the opportunity to have plant(s)/flowers planted in the area(s) adjacent to my immediate residence within the Surfcrest Community. I will submit to the Landscape Committee my selection of plant(s)/flowers for their consideration. I understand a Landscape Committee member may discuss my choices with our contracted Landscape Company if there is any question that my selections would not be suitable for my chosen location. I will be informed of the costs I would incur with the planting and I agree to pay for those costs before my planting is scheduled. I will write a check to Surf Corp for the agreed upon amount and give it to a Landscape Committee member who will submit it to our Property Manager. I relinquish all claims to said plants and recognize they are now the property of the Surfcrest Corp Association and will be solely maintained by our contracted Landscape Company.

Residence Signature _____

Approved Signature _____ Approval Date _____

Suggestions for Spring/Summer:

Begonias, Lobelia, Scaevola, Alyssum, Geraniums.

For shaded areas: Impatiens

Suggestions for Fall/Winter:

Snapdragons, Pansies, Cyclamen, Marigolds, Alyssum, Lobelia.

During a Drought season only Geraniums and Scaevola will do best.
